Reminder: Medical check-up for your child

Dear Parents

Your child will soon reach 2 years of age. We are writing to remind you that a medical check-up with your paediatrician is now due. Your health insurance fund will pay for the check-up. This check-up will look to see whether your child is healthy, and whether your child is developing as expected.

Please bring the enclosed voucher with you to the check-up and also have the paediatrician sign it. You can then exchange the signed voucher at the reception desk of the Gesundheitsdepartement Basel-Stadt (Malzgasse 30, 4001 Basel). You can choose between admission tickets for: outdoor swimming pool, indoor swimming pool, artificial ice rink or zoo.

Please remember to make an appointment with your paediatrician soon.

Yours sincerely

Dr. med. Simon Fuchs
Cantonal Physician
Head of Medical Services

Dr. med Pierino Avoledo
Specialist Physician in Paediatrics, FMH
Co-President of the Society for Paediatrics,
Regio Basel
